

# God's Permeating Power

---

## Background

During the morning worship at Calne Community Church we had a visiting team from In:Courage in Bath. While Andrew Leakey was speaking, the following words came to me which linked in with the sermon.

---

## God's Permeating Power

God's power permeates our being,  
Transforming our lives in every part -  
No temporary change but a total restoration,  
A complete renewal of heart.

So, open you heart to his power,  
Allow him to renew your soul.  
He only requires your permission  
To make you utterly whole.
