

# Hand in Hand with the Father

---

## Background

Monica and I were at the Bath Leaders' Hub in Twerton, Bath. The Hub is a monthly gathering of people involved in church leadership from various locations. The common link is a desire to see God's kingdom grow through the working of the Holy Spirit. On this occasion Andrew Leakey had asked me share what God had been saying to me on the topic of PowerSurge (see my separate document: *PowerSurge*).

As I was waiting for my turn to speak, the following words came to me.

---

Hand in hand with the Father we march through this land gathering a mighty army that will break down the gates of hell, banishing the forces of evil and releasing the power of the Spirit.

Who will join with us and see His victory? The choice is ours, but the outcome has already been determined.

Freedom comes though victory!

Victory is here now for all who will seize it!
