

# Living a Life of Victory

---

## Background

On 4<sup>th</sup> April 2009 I attended the "Shift" leaders' conference at South Chard Christian Fellowship along with a number of other folk from Calne Community Church. During one of the sessions the Spirit prompted me to write the following. I believe it's meant to be a song but as yet has no music (not my gifting) so if you feel inspired, please get in touch.

## Living A Life of Victory

Living a life of victory,  
Knowing the one who set me free,  
Giving my life so I can be  
Close to the one who died for me.

For He is the Son of God,  
He is the Truth, the Way;  
Giving His Life to all  
Who come to Him and say,

"You are the one I need,  
You are the King of Kings,  
You free me from all the past  
And lift me on eagle's wings."

*Living a life of victory,  
Knowing the one who set me free,  
Giving my life so I can be  
Close to the one who died for me.*
